

Mrs. Hess

Welcome to kindergarten at Jarrettsville Elementary School! My name is Lynn Hess and I am excited to be teaching your child this year. This is my seventh year teaching kindergarten at JVES. Having experienced Jarrettsville Elementary School as both a parent and a teacher, I am proud to confirm the school's commitment to quality education.

I received a Bachelor of Science Degree in Early Childhood Education and a Master of Science Degree in Educational Technology from Towson University. I have been married to Patrick Hess for 27 years. We have two sons and a daughter; one graduate student and one undergraduate student. Our sons are studying business and our daughter recently earned a Bachelor of Science Degree in English. All three children began their public education at JVES, where my husband and I were once active volunteers and business partners.

Please join me in celebrating your child's achievements throughout the year. Feel free to contact me with questions, comments or concerns. Thank you for supporting our kindergarten program!

Personal Vision: Students will acquire a solid academic foundation and an enthusiasm for learning.

Personal Mission: To provide a kindergarten environment that facilitates learning through exploration, collaboration, and play in a safe and caring environment.
