

Kindergarten Homework Assignments

- Monday night:
 - ABC Worksheet - alphabet or word families (bring to school Tuesday)
 - Read 10 minutes or more; complete Reading Log (keep at home throughout the week)
- Tuesday night:
 - Sight word worksheet and poem (bring to school Wednesday)
 - Read 10 minutes or more; complete Reading Log (keep at home throughout the week)
- Wednesday night:
 - ABC Worksheet - alphabet or word families (bring to school Thursday)
 - Read 10 minutes or more; complete Reading Log (keep at home throughout the week)
- Thursday night:
 - Sight word worksheet and poem (bring to school Friday)
 - Reread current Sight Word Book(s) introduced in class (read previous sight word books for ongoing home practice throughout the week; **this counts towards kindergarten Reading Log and future Jumper Log entries**)
- Friday night through Sunday night:
 - We encourage you to read 10 minutes or more each night; complete Reading Log (return Monday)

Please note: The Jumper Reading Program requires a minimum of 60 minutes of reading per week. We encourage you to save your child's weekly sight word books so that you acquire a reader-friendly home library that your child can revisit and read throughout the school year.

Expect math homework as assigned Monday through Thursday. We encourage you to incorporate board games, card games, and dice games that practice and reinforce the Everyday Math concepts introduced in class.

Kindergarten homework should take approximately 20 - 30 minutes a day. Should your child experience difficulty or frustration, please return the unfinished homework with a brief explanation, or complete it the following day.

School closings may cause variations in our weekly homework schedule.
